

Admiralty View

Guest Studio

**A charming, fully furnished Port Townsend studio
with a fantastic water and mountain view**

Monthly Vacation Rental

Watch the eagles soar and ships sail by from this spacious, beautifully decorated studio in the Victorian seaport village of Port Townsend. Sitting high atop Morgan Hill, the studio overlooks Admiralty Inlet offering unobstructed panoramic views of Point Wilson Lighthouse, Admiralty Inlet, Mount Baker, and the Cascade Range.

This charming second-floor studio matches the 1929 English Tudor style original brick home. The studio features a private entrance and off-street parking. A central courtyard surrounding a four-foot diameter Douglas Fir allows casual sitting and eating while absorbing the spectacular views and Admiralty Inlet shipping activities

Admiralty View Guest Studio

Directions

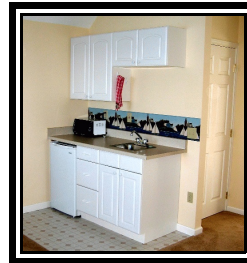

The Studio is close to Port Townsend's restaurant, parks, and beaches. It is located halfway between downtown Port Townsend and Fort Worden State Park. It is an easy 15 minute walk to the town's many attractions.

Follow Highway 20 East to Water Street past the Washington State Ferry dock and through the downtown historic district of Port Townsend. Turn left on Monroe Street up the hill. Right on Roosevelt Street and immediate left on Jackson Street proceeding up the hill. Admiralty View Guest Studio is at the top of the hill on the right, 1634 Jackson Street. There are no signs posted.

The Studio

Admiralty View Guest Studio offers spacious accommodations complete with a well-equipped kitchenette and a large bathroom with shower. The studio features a queen-sized bed with matching tables custom-made from western red cedar, and is tastefully decorated in a garden theme.

Rates

\$1,650 per month, \$560 per additional week, \$110 per additional night
