

## PREAMBLE

This is \_\_\_\_\_, Net Control Station the Jefferson County Emergency Net. My name is \_\_\_\_\_, and I'm located in \_\_\_\_\_.

This net is called to order at a time of \_\_\_\_\_ P(S/D)T. This is a directed net. The repeater is closed to all traffic not pertinent to this net; however, stations with emergency traffic may break in at any time. If there are any stations with emergency or priority traffic, please check in now. [PAUSE AND HANDLE].

Hearing nothing, we'll move on to check-ins. When checking in, please give your call sign, your name, your location, and advise if you have an announcement or traffic. Are there any stations that cannot remain on the net for the duration of this meeting who would like to check in and check out, please come now with your call, your name and location.

Since this is a routine net and, In compliance with current FCC interpretation of rule 97.113, we will dispense with check-ins from the EOC, Dept. of Emergency Management personnel as well as personnel from the special coordination centers and the alternate EOC.

Check-ins are now being accepted from the Area Coordination Centers followed by other stations in that area, beginning with...

**Area 1**, N. Quimper peninsula, which includes Port Townsend, Chimacum Port Hadlock, Nordland, and so on. We will skip the Area 1 Coordination Center and call for regular Area 1 check-ins.

Moving on to **Area 2**, Quilcene. Is there a check-in from the Area 2 Coordination Center? Other Area 2 stations wishing to check-in please come now with your call.

Moving on to **Area 3**, Port Ludlow. Is there a check-in from the Area 3 coordination Center? Other Area 3 stations wishing to check-in please come now with your call.

**Area 4**, Brinnon. Is there a check-in from the Area 4 coordination Center? Other Area 4 stations wanting to check-in please come now with your call.

**Area 5**, Gardiner. Is there a check-in from the Area 5 Coordination Center? Other Area 5 stations wishing to check-in please come now with your call.

Are there any **visitors** who wish to check-in to the net?

Are there any **Echo-Link** stations that wish to check-in? I'll pause to give you time to make your connections.

Are there any **late or missed** stations that wish to check-in?

Are there any **announcements or traffic**?

Is there any **final business** for the net?

At this time I'll close the net. I'd like to thank everyone for his or her participation. The Jefferson County Emergency Management Net is now closed at \_\_\_\_\_ Pacific (S/D) Time. Repeater W7JCR is returned to normal operations. This is \_\_\_\_\_ monitoring.
