Jefferson Emergency Management Net Protocol Script (Revised 5/25/2011)

PREAMBLE

This is _____*(your call sign),* Net Control Station for the Jefferson County Emergency Management Net.

This is a directed net; the repeater is closed to all traffic not pertinent to this net. Stations with Emergency traffic may break in at any time. Is there any Emergency or Priority traffic? Please check in now. *(handle)*

When checking in, give your call sign, your first name, your location, and advise if you have an announcement or traffic.

Is there any station that cannot remain on the net but would like to check-in and check-out, please come now with your call.

CHECK-INS

Check-ins are now being accepted from the EOC, Alternate EOC, the EOC mobile and other DEM Personnel *(handle one at a time)*

Check-ins are now being accepted from the Special Coordination Centers; First, Public Health, Jefferson Healthcare, and the Red Cross. *(handle one at a time)*

Check-ins are now being accepted from Area Coordination Centers and other stations within each area:

Area one; N Quimper Coordination Center, – Other stations, Area one. *(handle)*

Area two; Quilcene Coordination Center – Other stations, Area two. *(handle)*
