**The Peninsula Tennis Club  
is a registered, non-profit,  
Community Tennis Association**

**Why should you support the  
Peninsula Tennis Club?**

We are a vital advocate for retaining, maintaining, upgrading, and creating new tennis facilities in Clallam County.

We organize and run two competitive tennis tournaments each year.

We use tournament proceeds to provide tennis scholarships to Sequim & Port Angeles High School students.

We help to organize and support leagues and community doubles sessions.

We use club funds to purchase items such as nets, rollers & windscreens and provide labor to maintain the courts.

We provide our membership with lists of players and contact information so that you can get together with players at your skill level.

We are staffed entirely by volunteers.

**Membership Fees:**
